Dear Mr Wilson

*Barry.*

Thank you for your visit to my office on 3 May 2007 bringing to my attention damaged or faded signs at various locations throughout the city

Unfortunately, a check of Council's systems has been unable to locate your earlier email enquiry.

Council's Transport and Traffic branch has advised that signs throughout the city are replaced under an ongoing maintenance program. However, as the task of inspecting every sign in Brisbane is an onerous one, Transport and Traffic welcomes advice from members of the public who wish to report faded or damaged signs.

As you are aware, the faded 'No Stopping' sign opposite the Bulimba Library was replaced on 29 May 2007. Should you have specific details of other faded or damaged signs please call the Council's Customer Contact Centre on 3403 8888 and advise the location of the signs requiring replacement.

Thank you for taking the time to contact me with your concerns.

Yours sincerely

Campbell Newman  
**LORD MAYOR**
